Free Learning for Family Members!

***School Success for Students in***  
***Special Education***

**With Karen Laughlin, Parent Educator with ECAC**

This webinar will address the parents and caregiver role in the special education process. We'll cover the information and skills caregivers need to advocate effectively for their children before, during, and after IEP meetings. We'll also talk about how concerned professionals can support the families they're working with.

**September 12, 12:00-1:30pm**

**This presentation is offered via Zoom**
